## READY-TO-COOK MARINATED BREAST FILETS

- Consistent size, weight, thickness and shape
- Boneless, skinless, ready-to-cook marinated filets—great for any application
- Individually frozen—filets go from freezer to grill, one filet at a time
- One cook time works perfectly for all
- Available in a variety of flavors—oven roasted, mesquite and lemon herb

## BREADED CHICKEN BREAST FILETS

- Premium chicken breast is cut, not flattened, to ensure consistent cooking
- Available in fully cooked and ready-to-cook—preparation is quick and easy either way
- Individually frozen—easy to prepare from frozen as needed
- Tight batter and marinade lengthen holding time with no impact on juiciness
- Fried in non-hydrogenated oils

## FULLY COOKED CHICKEN BREAST FILETS

- Premium, quality breast meat (available with grill marks)
- Tender, marinated breast meat adapts beautifully to your application
- Fully cooked to ensure safety and ease of use—just thaw and warm
- Individually frozen—use just what you need, when you need it

# DISCOVER A MEDLEY OF JUICY, INVITING FLAVORS

Health-conscious consumers love chicken breast filets. Try offering them as a substitute for other proteins like meatballs, sausage or hamburgers.
